**Phone Chair:** Lines are being answered.

**Webmaster:**

-Work on the meeting lists is progressing.

-The revision of the By-Laws has not been completed. It was suggested that maybe we need a committee to go over the By-Laws for a more extensive revision to better reflect current situations. Discussion of this was moved to Old Business.

**Communication Chair:** The sample Facebook page has been taken down, and Monica is awaiting a decision as to where to go from here with this. Further discussion was moved to Old Business.

**Eric R. (Tuesday Night Trudgers)** - Special Event 7/19: Two speakers! Doors open @ 7pm with speakers beginning @ 7:30. **Masks required (by the church).**

### **Old Business**

PayPal Account - The account is still linked to the previous Treasurer. Steve is still working on it.

By-Laws - Ann suggested the possibility of forming a committee to review the By-Laws with the thought of a more extensive revision in mind. More specifically, reviewing the definition of quorum used in the By-Laws and how it relates to the current situation in the District and Intergroup. This might also involve reviewing the definition of membership as currently defined in the By-Laws. This was carried over to next month

Facebook Presence - There was plenty of discussion on this topic! Monica is willing to proceed in any direction the Committee decides on. Emily suggested the possibility an open forum (most like on Zoom) with an impartial moderator that would be an open exchange that might inform and answer questions in hope of giving groups what they need to form a Group Conscience that could then be related to Intergroup. Pros and cons, both of the idea and realistic practicalities were discussed. This was carried over to next month.
